THE REVEVERND DR. MARCELLUS. A. NORRIS

The Reverend Dr. Marcellus Alexander Norris, executive director of Church Growth and Development of the African Methodist Episcopal Church, is the son of Bishop Richard F. and Mrs. Mary Ann Norris. He is married to Mrs. Anethia Theress Norris and is the father of two sons, London Nicholas & Marcellus

II. He accepted the call to preach on August 6, 1995, at St. Matthew A.M.E. Church, Philadelphia, PA, where then-Rev. Richard F. Norris was the pastor. A third generation A.M.E. preacher, Marcellus

graduated in May 2007 from Lutheran Seminary at Gettysburg, with a Master of Divinity degree. On May 14, 2021, he earned his Doctor of Ministry degree from Payne Theological Seminary, Wilberforce, OH.

Dr. Norris began his pastoral journey in January 1997, as a supply pastor, at Bethel A.M.E. Church, McConnellsburg, PA, before being assigned to serve the congregation in May 1997. In December of that year, while attending Shippensburg University, he was assigned to St. Peter's A.M.E. Church, where he led the congregation in purchasing a new church edifice, as well as a parking lot, and parsonage. He also formed three choirs and increased the membership from 14 to 91.

In May 2001, Pastor Norris was assigned to Bethel A.M.E. Church, West Chester, PA. The congregation experienced significant growth in membership, birthed new ministries, and installed central air conditioning in the sanctuary, before his November 2003 assignment to lead Bethel A.M.E. Church, Byrn Mawr, PA. There, he also achieved significant accomplishments, before his June 2007 assignment to Bethel A.M.E. Church, Norwalk, CT. In June 2009, Pastor Norris was assigned to St. Paul A.M.E. Church, Cambridge, MA, where he served for three years, growing and invigorating several church ministries. Under his leadership, the church purchased a 25-passenger mini-bus and a four-bedroom parsonage. St. Paul also celebrated the 200th birthday of Bishop Richard Allen with a city-wide block party.

In January 2012, Pastor Norris was assigned to St. Luke A.M.E. Church, New York, NY. Under his leadership the congregation stabilized finances and paid off a loan in two years. As part of St. Luke's traveling to evangelize, the congregation purchased a new 25-passenger minibus and a new 15-passenger van. The congregation also started an after-school program, in 2013, which served over 60 children. The program expanded, in 2014, by teaching the Hispanic community English as a second language.

As a testament of financial stewardship, Rev. Norris liquidated \$1,000,000 in nine years, "burning" the mortgage, on November 7, 2021. The administrative building was updated, with high-tech security cameras, and the phone system was upgraded, as Pastor Norris led the congregation through significant capital improvements, including revitalizing the church edifice and replacing the church's roof.

On July 11, 2021, in Orlando, FL, at the 51st Session of the General Conference of the AME Church, the Reverend Rev. Dr. Marcellus A. Norris was elected to lead the AME Church as its executive director of Church Growth and Development. Since assuming office, he has modernized the Department through digital transformation, launched the AME Church Growth App, transitioned *The Secret Chamber* to a global digital platform, expanded evangelist certification, strengthened the Annual Church Growth Seminar, introduced Operation Reclaim, to recover 100,000 inactive members, and initiated the Believe and Belong Evangelism Campaign, to reenergize AME Church members. His leadership has positioned the AME Church to move from attraction to

engagement, equipping clergy, and laity worldwide for holistic evangelism, strategic growth, and connectional impact.

Along with his leadership, over the Department of Church Growth and Development, for four years, Dr. Norris also served as the pastor of St. Luke AME Church, Nashville, TN. In that capacity, he led the church through a series of transformative improvements, both spiritual and physical.

In recognition of his leadership, Dr. Norris was appointed to the World Methodist Evangelism Institute Advisory Committee, representing the AME Church in global conversations about faith and mission. He has also been appointed to the Advisory Committee of the World Methodist Evangelism Institute. Dr. Norris is a proud member of Alpha Phi Alpha Fraternity, Inc. and a master mason of Xenia Lodge #50. His favorite scripture is Proverbs 17:22, "A cheerful heart is good medicine, but a crushed spirit dries up the bones."

Are you familiar with being ballot ready?

Ballot Ready is an organization founded in 2015 to help voters make informed decisions, such as:

- ♦ Voter registration
- ♦ Polling place information
- ♦ Resources for running for office
- ♦ Tools for contacting elected officials, and
- ♦ Connections to grassroots organizations for year-round civic engagement

Data is at the heart of Ballot Ready's system which consists of a dedicated research team working to provide the most comprehensive information on ballots, elections, and elected officials nationwide. This includes extensive research on judges, cities, county commissions, and school boards, and more, direct data collection from local election offices, and a rigorous vetting process to ensure accuracy and nonpartisanship. Ballot Ready is committed to transparency and accuracy. The team spends thousands of hours reading statutes, tracking court cases, sending faxes, and filing FOIA requests to gather the most up-to-date and reliable information.

Are you familiar with the Candidate and the duties required of the officeholder?

Today, and every Sunday until election day, our Project 2026 Team will discuss the duties of the officeholders for **federal, county, and local** seats. Even if the office is not on the ballot this election cycle, we will discuss those offices, as well.

A few of the local positions are –

COMMISSIONER OF LABOR

Helps Georgia's workers maximize their career potential by providing access to employment, training, and support services including overseeing the state's unemployment insurance program and handling unemployment insurance claims; administering employee safety and child labor laws and supporting job opportunities for Georgia's youth. The Labor Commissioner helps Georgia employers with recruitment and selection services, technical support, and workforce information so Georgia businesses can find the best-qualified candidates.

COMMISSIONER OF AGRICULTURE

Oversees and promotes Georgia's agricultural industry, including crops, poultry, and livestock; regulates and monitors grocery stores, convenience stores, and food processing plants. The Commissioner of Agriculture creates and implements programs to connect Georgia's farmers to ready markets; and regulates agricultural practices that directly affect environmental pollutants such as herbicides, pesticides, fertilizers, and sewage that enter soil and water due to crop and livestock production.

Take the 5x5 Challenge

Contact 5 of your friends and ask them, **ARE YOU VOTER READY?** If the answer is no, let them know how to start the process of being voter ready. Ask those 5 friends to each contact 5 friends to help get them **VOTER READY**. Stay in touch with them to assist with any concerns or issues that may arise as they become **VOTER READY**.

YOUR VOTE IS YOUR SUPERPOWER:

Go to www.mvp.sos.ga.gov to:

- 1 Check your voting status.
- 2 Find your voting precinct and voter ID card.
- 3 Print out a Sample Ballot to see all elections in your area.
